

LOCAL BUSINESSES

BY THE HAMPTON AREA CHAMBER OF COMMERCE

Supporting Local

*Support
Local!*

The Hampton area has many local businesses ranging from construction to cosmetics. Many of these businesses are independently owned. Some are owned by friends or even neighbours. Local businesses are also known for supporting charities and not-for-profits more than chain businesses.

What does supporting local mean?

Supporting local means that you are an active member and care about the community you live in. It means you are putting money back into the community you live in.

Pros to shopping local

Shopping local:

- Promotes commerce within your own community
- Is good for your health
- Supports people you know
- Offers a more personalized service
- Provides new job opportunities for the community

Mandate of the HACCC

- The Hampton Area Chamber of Commerce is an organization that promotes trade and commerce and the economic, civic and social welfare of the district.
- To unite the business and professional community in a manner that positive economic growth may be achieved.
- To improve the quality of life of everyone in our community by always striving for a stronger business community.
- To increase the efficiency and usefulness of the individual chamber members and to promote mutual cooperation between members.
- To develop and present informed news and opinions of its members to the municipal, provincial and federal governments.
- To promote agriculture, civic, commercial, industrial and other general interests of the business community.
